DER FLUCH
DER MUMIE

A LEGO minifigure scene set in an ancient Egyptian-style environment. A female minifigure dressed as a queen, wearing a blue and white dress with gold and green accents and a gold crown with a cobra, stands on a set of brown brick steps. She is looking towards a male minifigure whose back is to the camera. The man is wearing a red tunic and a gold headband. In the foreground, there is a large brown wooden barrel with a golden pitcher on top. To the right, a green plant is visible. The background shows a stone wall and a dark interior space.
