

Tasks:

1. *Read the statements (A - G) carefully*

In pairs:

2. *Make a list of (new) words useful for talking about Britishness, add them to your folder.*

3. *Make a list of characteristics / idiosyncrasies we have not mentioned so far*

On your own:

4. *Write a coherent text about the items on your list, saying whether they surprise / confuse you or appeal to you and why that is the case.*

You might want to begin like this:

When people from the UK were asked to define what Britain and Britishness mean to them, some of them came up with statements.
