The Robot Revolution – The New Way of Manufacturing

00:00 – 09:11

**I Watch the video and, after the introduction, take notes on the following aspects.**

<b>1</b> 00:48-03:47	<b>Robots and Cobots – Take notes on</b>
	- the leading continents in the production of robots?
	- the way robots now know what to do?
	- how a cobot differs from a robot?
	- the most efficient way of working?
<b>2</b> 03:48-04:44	<b>The robot restaurant</b>
	What do robots do there?
	Why might they be useful soon?

<b>4</b> 04:45-0:11	<b>China: Shenzhen and Pearl River Delta (Michael Zeng from Rapoo)</b>
	Why are robotics important here?
	How does M. Zeng happily describe the future?
	What is said about the job situation?
<b>5</b> 08:36-09:11	What outlook on the “robotic future” is given at the end of the video?
