

# rise

or

# fall

- but knowledge to create a new social life
- more selfconfidence
- outside changes
- more handsome
- craftier (good for himself)

- Adam's social life is destroyed
- lost friends
- lost independence
- lost
- values changed
- has a new nose
- his bad image will never leave completely

## both

- had multiple rises ups and downs
- In den End it's a new beginning for him
- In the very end it's a fall for him (for the near future)
- Then the people forget and he gains from his positive changes
